COURSE ARTICULATION

Department of Computer Science
College of Science
SOUTHERN ILLINOIS UNIVERSITY CARBONDALE
2016-2017 Undergraduate Catalog

John A Logan College
School Code: UIL335
2016-2017
Updated: 1/31/17

SIUC COURSE	John A Logan College COURSE
CS 200B – Computer Concepts	CIS 101 – Introduction to Computers
CS 200B – Computer Concepts	CIS 207 – Computer Applications
Completes COS Supportive Skill Requirement	CPS 176 – Intro to Computer Programming
CS 215 – Discrete Mathematics	CPS 202 – Discrete Mathematics
CS 202 - Introduction to Computer Science	CPS 206 – Computer Science I
CS 202 - Introduction to Computer Science	CPS 207 – Java Programming
CS 202 - Introduction to Computer Science	CPS 208 – Assembly Language
CS 220 – Programming with Data Structures	CPS 215 – Computer Science II
CS 215 – Discrete Mathematics	MAT 125 – Discrete Mathematics
