

TRANSFER GUIDE

AAS Radiologic Technology Transferring into BS Radiologic Sciences MRI/CT

Harper College Courses			
AAS Radiologic Technology – 72 hours			
ENG 101-3	Composition	RAD 107-2	Radiologic Clinical Education I
SPE 101-3	Fund of Speech Communication	RAD 201-2	Radiologic Clinical Education II
Elective-3	Mathematics	RAD 202-1	Radiologic Procedures III
Elective-3	Social & Behavioral Science	RAD 222-3	Radiologic Procedures IV
BIO 260-4	Human Anatomy	RAD 223-2	Advanced Radiologic Principles
BIO 261-4	Human Physiology	RAD 224-2	Radiobiology
HSC 112-2	Medical Terminology	RAD 225-3	Radiologic Clinical Education III
HSC 165-1	Basic Pharmacology	RAD 228-2	Digital Imaging
HSC 213-2	Legal & Ethical Issues Health Care	RAD 236-3	Radiologic Pathology
RAD 101-3	Intro to Radiologic Technology	RAD 238-2	Sectional Anatomy for Imaging
RAD 102-3	Radiologic Procedures I	RAD 239-3	Radiologic Special Procedures
RAD 103-3	Radiologic Principles I	RAD 240-3	Radiologic Clinical Education IV
RAD 105-3	Radiologic Procedures II	RAD 251-3	Radiologic Clinical Education V
RAD 106-3	Radiologic Principles II	RAD 258-1	Radiologic Seminar
Southern Illinois University Carbondale Courses Capstone Option			
BS Radiologic Sciences (RADS) MRI/CT Specialization – 57 hours			
Elective-3	Social Science	RAD 384-4	MRI Technology
Elective-3	Humanities	RAD 394-3	MRI & CT Pathology
Elective-3	Physical Science	RAD 404-10	MRI & CT Clinical Internship I
Elective-3	Fine Arts	RAD 414-2	Special Studies in MRI/CT
Elective-3	Multicultural	RAD 424-4	MRI/CT Clinical Internship II
RAD 364-3	CT Technology	RAD 434-2	Seminar in MRI & CT
RAD 374-3	Sectional Anatomy	Electives-11	300/400 level
Total Hours to Bachelor Degree: 129 Hours

Disclaimer: You are encouraged to use this transfer guide when planning your progress towards degree completion. Following a transfer guide does not guarantee admission into the listed program. Information is attempted to be kept current; however, any curriculum changes reflected in the Undergraduate Catalog override the information on this guide. Contact your Academic Advisor for assistance in interpreting this guide.

Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Student must complete at least 120 semester hrs of credit. Each student must have at least 42 hrs in courses that number 300 or above from a four-year institution.

Residence Requirements. Student must complete the residency requirement by taking a total of 42 semester hrs at SIU Carbondale.

Grade Point Average Requirements. Student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Compact Agreement

SIU Carbondale has recognized Illinois regionally accredited community college transferable baccalaureate-oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIUC will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC) requirements. The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Saluki Transfer Pathways

[Saluki Transfer Pathways](#) is the university's dual admission program that allows baccalaureate-oriented students at eligible community colleges intending to transfer to SIU Carbondale to benefit from early admission and pre-advisement for a baccalaureate program at SIUC. Saluki Transfer Pathways allows students to be conditionally admitted to SIU Carbondale up to two years in advance of their intended transfer term so they have access to transfer credit evaluation and the university's degree audit system. This allows students to address major specific requirements that may not be automatically fulfilled with the completion of an associate degree. Students apply to Saluki Transfer Pathways by completing the Application for Undergraduate Admission and indicating an interest in the program. To participate, students must have at least two semesters remaining at their community college. Direct questions about the Saluki Transfer Pathways program to transfer@siu.edu.

DegreeWorks

DegreeWorks is an easy-to-use, online degree audit tool specifically designed for students. Once admitted to SIU Carbondale, you can use it monitor your progress toward your degree in [Salukinet](#).

Saluki Transfer Estimator Portal (STEP)

The [Saluki Transfer Estimator Portal](#) (STEP) is a web-based tool that integrates institutional course equivalency and degree audit data to provide an unofficial credit estimation and a more seamless transfer process. STEP gives transfer students a clear roadmap for timely degree completion by providing key information about how transfer credits apply to your intended program at SIU.
