

PROGRAM ARTICULATION AGREEMENT
BETWEEN
STATE TECHNICAL COLLEGE OF MISSOURI
LINN, MO
AND
SOUTHERN ILLINOIS UNIVERSITY CARBONDALE
CARBONDALE, IL

In an effort to provide a continued, articulated higher education baccalaureate degree program that will build on community college and university learning experiences, and also eliminate duplication of instruction, this agreement is set forth between State Technical College of Missouri and the Board of Trustees of Southern Illinois University on behalf of Southern Illinois University Carbondale.

- All graduates of State Technical College of Missouri with an Associate in Applied Science (A.A.S.) degree in Automotive Technology and meeting SIU Carbondale admission requirements will be considered for admission into SIU Carbondale's Bachelor of Science (B.S.) degree in Automotive Technology (AUT) in the College of Applied Sciences and Arts based upon the Departments enrollment criteria and space availability.
- A State Technical College of Missouri graduate receiving an A.A.S. degree in Automotive Technology will be considered for admission to SIU Carbondale's Automotive Technology (AUT) program if the following are met:
 - The student has earned a minimum of 60 semester hours transferable to SIU Carbondale
 - The student has earned an overall grade point average (GPA) of 2.0 or above (4.0 scale) for his or her collegiate work as calculated by SIU Carbondale's grading regulations
 - Confirmation by the SIU Carbondale College of Applied Sciences and Arts that the student has satisfactorily completed at least five (5) of the following seven (7) categories of courses as part of the A.A.S. degree in Automotive Technology at State Technical College of Missouri:

- COM 101-3, *English Composition I*

- Choose one: COM 111-3, *Oral Communications* or COM 121-3, *Public Speaking*
 - Choose one: MAT 115-3, *College Algebra*, MAT 118-3, *Survey of College Math*, MAT 120-5, *PreCalculus*, MAT 122-3, *Elements of Calculus*, or MAT 123-5, *Calculus I*
 - PHY 101/102-4, *College Physics w/ Lab*
 - PSC 101-3, *American Government*
 - HST 110-3, *American History from 1877 to Present*
 - COM 290-3, *Intro to Theater*
- Acceptance into the Capstone Option reduces the University Core Curriculum for the A.A.S. degree recipient in Automotive Technology at State Technical College of Missouri pursuing the B.S. in Automotive Technology (AUT) at SIU Carbondale to 30 semester hours. This, along with taking the courses listed above as part of the A.A.S. degree makes it possible for the student to complete the B.S. in Automotive Technology (AUT) at SIU Carbondale in approximately additional 52 semester hours beyond the A.A.S. degree.
 - State Technical College of Missouri students transferring to the Automotive Technology (AUT) baccalaureate degree program at SIU Carbondale who have not completed all of his or her Associate in Applied Science degree requirements at State Technical College of Missouri will have their related coursework evaluated on a course-by-course basis by the appropriate SIU Carbondale department. These students will also not be eligible to receive the Capstone Option benefits and will be considered based upon the Departments enrollment criteria and space availability.
 - Students will be required to complete 42 senior institution hours at the 300-400 course level, with the last 30 such senior institution hours being at SIU Carbondale for residency purposes. Those students enrolled in an approved program delivered by SIU Carbondale Extended Campus will have completed the residency requirement for the University upon completion of all courses required by the program. All students will be required to complete at least 120 hours with an overall GPA of 2.0 on a 4.0 scale to receive a Bachelor of Science degree in Automotive Technology (AUT). Coursework may include University Core Curriculum as well as Automotive Technology (AUT) major courses.

- An SIU Carbondale Automotive Technology (AUT) representative will communicate periodically with State Technical College of Missouri personnel in Automotive Technology for general advisement and degree planning purposes.
- Upon successful completion of all degree requirements, and following all policies and regulations stated in the program and SIU Carbondale guidelines, State Technical College of Missouri students will be eligible to receive the Bachelor of Science degree in Automotive Technology (AUT), College of Applied Sciences and Arts, Southern Illinois University Carbondale.
- Should changes occur in course or program content, the institution making the change agrees to notify the other institution in writing so that this agreement can be re-evaluated. Notice of changes shall be given at least 45 days prior to the beginning of the semester when the change is implemented.
- SIU Carbondale and State Technical College of Missouri agree to review this agreement annually and renegotiate terms as necessary. State Technical College of Missouri and SIU Carbondale will designate an individual to serve as liaison for the purposes of monitoring this agreement. Each institution will provide updated curriculum changes immediately upon their availability.
- The parties acknowledge that many students educational records are protected by the Family Education Rights and Privacy Act (FERPA) and that the written authorization of student(s) must be obtained before student data can be released to anyone. The parties agree that access to and release of student records shall be in accordance with FERPA.
- This agreement is subject to change by legislative action, the Department of Education, the Southern Illinois University Board of Trustees, or the State Technical College of Missouri Board of Regents.
- Indemnification:
 1. To the extent permitted by law and not inconsistent with the doctrine of sovereign immunity, SIU Carbondale shall indemnify and hold harmless State Technical College of Missouri, its agents and employees, from any claims, demands, or causes of action arising out of the negligent acts or omissions of SIU Carbondale, its agents or employees, in the performance of SIU Carbondale's obligations under this Agreement.

2. To the extent permitted by law, State Technical College of Missouri shall indemnify and hold harmless SIU Carbondale, its agents and employees, from any claims, demands, or causes of action arising out of negligent acts or omissions of the College, its agents or employees, in the performance of the College's obligations under this Agreement.
- Reasonable efforts will be made to resolve problems with student(s) through discussions with the student's program instructor, supervisor, and SIU Carbondale's faculty members; however SIU Carbondale reserves the right to remove any student from enrollment at SIU Carbondale upon the determination that the student is unable or unwilling to fulfill the requirements of SIU Carbondale's educational program and mission, including but not limited to the rules and regulations of Southern Illinois University Carbondale, the policies of the Board of Trustees of SIU Carbondale, and the SIU Carbondale Student Conduct Code. SIU Carbondale shall also have the right to withdraw any student from its educational degree program in accordance with its academic requirements, including but not limited to unsatisfactory academic performance and/or social misconduct.
 - Neither party will discriminate against any applicant or student in the nomination, selection, or training because of religion, race, sex, sexual orientation, creed, handicap, national origin, or age.
