

TRANSFER GUIDE

AS Biological Sciences transferring into BS Biological Sciences Biomedical Science

| Triton College Courses | | | |
|--|------------------------------------|------------------|--|
| AS Biological Sciences – 62 hours | | | |
| RHT 101-3 | Freshman Rhetoric & Composition I | CHM 140-5 | General Chemistry I |
| RHT 102-3 | Freshman Rhetoric & Composition II | CHM 141-5 | General Chemistry II |
| SPE 101-3 | Principles of Effective Speaking | CHM 234-5 | Organic Chemistry I |
| MAT 131-5 | Calculus & Analytic Geometry I | BIS 150-4 | Principles of Biology I |
| Elective-3 | Social & Behavioral Science | BIS 151-4 | Principles of Biology II |
| Elective-3 | Social & Behavioral Science | PHY 101-5 | General Physics (Mech/Heat/Sound) |
| Elective-3 | Humanities | MAT 170-4 | Elementary Statistics |
| Elective-3 | Fine Arts | Program Elec-4 | |
| Southern Illinois University Carbondale Courses | | | |
| BS Biological Sciences (BIOS) Biomedical Science Specialization – 58 hours | | | |
| BIOL 213-4 | Intro Organismal Form & Function | PHSL 310-5 | Principles of Physiology |
| BIOL 305-3 | Principles of Genetics | Senior Seminar-1 | BIOL 485, MICR 495, PHSL 490, PLB 480 or ZOOL 482 |
| BIOL 306-3 | Cell Biology | Support Skls-6 | Select from course list or 2 |
| BIOL 409-3 | Developmental Biology | | semesters of a foreign language |
| Select 1 Group-5 | CHEM 350, 351 or CHEM 442, 443 | Life Sci Elec-12 | 300/400 level |
| MICR 301-4 | Principles of Microbiology | Electives-5 | 3 hours @ 300/400 level to get to 42 senior hrs |
| MICR 302-3 | Molecular Biology | PHYS 203B,253B-4 | College Physics w/Lab |
| Total Hours to Bachelor Degree: 120 Hours | | | |

Salary Range:\$37,000 - \$70,000Possible Careers:Premedical Preparation
Public Health Scientist
Pharmaceutical Technician
Research Lab Technician
Quality Control Technician
Clinical Lab Scientist
Clinical Research Associate

Disclaimer: You are encouraged to use this transfer guide when planning your progress towards degree completion. Following a transfer guide does not guarantee admission into the listed program. Information is attempted to be kept current; however, any curriculum changes reflected in the Undergraduate Catalog override the information on this guide. Contact your Academic Advisor for assistance in interpreting this guide.

Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Student must complete at least 120 semester hrs of credit. Each student must have at least 42 hrs in courses that number 300 or above from a four-year institution. *Residence Requirements.* Student must complete the residency requirement by taking a total of 42 semester hrs at SIU Carbondale.

Grade Point Average Requirements. Student must have a C average for <u>all work</u> taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Compact Agreement

SIU Carbondale has recognized Illinois regionally accredited community college transferable baccalaureate-oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIUC will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC) requirements. The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Saluki Transfer Pathways

<u>Saluki Transfer Pathways</u> is the university's dual admission program that allows baccalaureateoriented students at eligible community colleges intending to transfer to SIU Carbondale to benefit from early admission and pre-advisement for a baccalaureate program at SIUC. Saluki Transfer Pathways allows students to be conditionally admitted to SIU Carbondale up to two years in advance of their intended transfer term so they have access to transfer credit evaluation and the university's degree audit system. This allows students to address major specific requirements that may not be automatically fulfilled with the completion of an associate degree. Students apply to Saluki Transfer Pathways by completing the Application for Undergraduate Admission and indicating an interest in the program. To participate, students must have at least two semesters remaining at their community college. Direct questions about the Saluki Transfer Pathways program to transfer@siu.edu.

DegreeWorks

DegreeWorks is an easy-to-use, online degree audit tool specifically designed for students. Once admitted to SIU Carbondale, you can use it monitor your progress toward your degree in <u>Salukinet</u>.

Saluki Transfer Estimator Portal (STEP)

The <u>Saluki Transfer Estimator Portal</u> (STEP) is a web-based tool that integrates institutional course equivalency and degree audit data to provide an unofficial credit estimation and a more seamless transfer process. STEP gives transfer students a clear roadmap for timely degree completion by providing key information about how transfer credits apply to your intended program at SIU.
