

TRANSFER GUIDE

AS Biological Sciences transferring into BS Biological Sciences Ecology

Triton College Courses			
AS Biological Sciences – 62 hours			
RHT 101-3	Freshman Rhetoric & Composition I	CHM 140-5	General Chemistry I
RHT 102-3	Freshman Rhetoric & Composition II	CHM 141-5	General Chemistry II
SPE 101-3	Principles of Effective Speaking	CHM 234-5	Organic Chemistry I
MAT 131-5	Calculus & Analytic Geometry I	BIS 150-4	Principles of Biology I
Elective-3	Social & Behavioral Science	BIS 151-4	Principles of Biology II
Elective-3	Social & Behavioral Science	PHY 101-5	General Physics (Mech/Heat/Sound)
Elective-3	Humanities	MAT 170-4	Elementary Statistics
Elective-3	Fine Arts	Program Elec-4	
Southern Illinois University Carbondale Courses			
BS Biological Sciences (BIOS) Ecology Specialization – 58 hours			
BIOL 213-4	Intro Organismal Form & Function	ZOOL 220-5	Animal Diversity
BIOL 304-3	Evolution	Select 1-3	Choose one: MICR 490; PLB 492, 493A; ZOOL 491, 492, 493, 496, 497
BIOL 305-3	Principles of Genetics	Support Skls-6	Select from course list or 2 semester sequence of a foreign language
BIOL 307-3	Principles of Ecology		
CHEM 350-3	Biological Chemistry	Life Sci Elec-7	300/400 level
MICR 301-4	Principles of Microbiology	Ecol Elec-5	300/400 level
PHSL 310-5	Principles of Physiology	Elective-3	2 hours must be at 300/400 level
PLB 300-4	Diversity of Plants, Algae & Fungi		
Total Hours to Bachelor Degree: 120 Hours			

Salary Range: \$42,000 - \$76,000

Possible Careers: Ecologist
Forester
Conservation Scientist
Environmental Scientist

Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Student must complete at least 120 semester hrs of credit. Each student must have at least 42 hrs in courses that number 300 or above from a four-year institution.

Residence Requirements. Student must complete the residency requirement by taking a total of 42 semester hrs at SIU Carbondale.

Grade Point Average Requirements. Student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Compact Agreement

SIU Carbondale has recognized Illinois regionally accredited community college transferable baccalaureate-oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIUC will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC) requirements. The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Saluki Transfer Pathways

[Saluki Transfer Pathways](#) is the university's dual admission program that allows baccalaureate-oriented students at eligible community colleges intending to transfer to SIU Carbondale to benefit from early admission and pre-advisement for a baccalaureate program at SIUC. Saluki Transfer Pathways allows students to be conditionally admitted to SIU Carbondale up to two years in advance of their intended transfer term so they have access to transfer credit evaluation and the university's degree audit system. This allows students to address major specific requirements that may not be automatically fulfilled with the completion of an associate degree. Students apply to Saluki Transfer Pathways by completing the Application for Undergraduate Admission and indicating an interest in the program. To participate, students must have at least two semesters remaining at their community college. Direct questions about the Saluki Transfer Pathways program to transfer@siu.edu.

DegreeWorks

DegreeWorks is an easy-to-use, online degree audit tool specifically designed for students. Once admitted to SIU Carbondale, you can use it monitor your progress toward your degree in [Salukinet](#).

Saluki Transfer Estimator Portal (STEP)

The [Saluki Transfer Estimator Portal](#) (STEP) is a web-based tool that integrates institutional course equivalency and degree audit data to provide an unofficial credit estimation and a more seamless transfer process. STEP gives transfer students a clear roadmap for timely degree completion by providing key information about how transfer credits apply to your intended program at SIU.
