

TRANSFER GUIDE

Associate in Engineering Science transferring into BS Computer Engineering

City Colleges of Chicago Courses			
Associate in Engineering Science – 67 hours			
ENGLISH 101-3	Composition I	ENGR 190-3	Computer Apps in Engineering
ENGLISH 102-3	Composition II	ENGR 215-5	Electrical Circuit Analysis
ECON 201-3 or ECON 202-3	Principles of Economics I or Principles of Economics II	CHEM 201-5	General Chemistry I
Elective-3	Fine Arts/Humanities	PHYSICS 215-3	Statics
MATH 207-5	Calculus & Analytical Geometry I	PHYSICS 216-3	Dynamics
MATH 208-5	Calculus & Analytical Geometry II	PHYSICS 217-3	Mechanics of Materials
MATH 209-5	Calculus & Analytical Geometry III	PHYSICS 235-5	Engineering Physics I
MATH 210-3	Differential Equations	PHYSICS 236-5	Engineering Physics II
		PHYSICS 237-5	Engineering Physics III
Southern Illinois University Carbondale Courses			
BS Computer Engineering – 81 hours			
CMST 101-3	Intro to Oral Communication	ECE 329/329L-4	Comp Organization & Design/Lab
BIOL 202-2	Human Genetics & Human Health	ECE 345/345L-4	Electronics/Lab
PHIL 104-3	Ethics	ECE 355/355L-4	Signals & Systems/Lab
PHIL 105-3	Elementary Logic	ECE 495C-3	CEGR Senior Design I
ENGR 304I-3	Social History American Technology	ECE 495D-3	ECE Senior Design II
Elective-3	Social Science	ECE Electives-25	At least 20 hrs from: ECE 422, 423, 424, 425, 427, 428, 429, 432
ECE 296/296L-4	Software Tools for Engineers/Lab	CS Electives-5	Select 2 approved Comp Sci courses
ECE 315-4	Mathematical Methods in ECE	Science Elective	Satisfied by CHEM 200/201/202
ECE 321/321L-4	Intro to Software Engineering/Lab		
ECE 327/327L-4	Digital Circuit Design with HDL/Lab		
Total Hours to Bachelor Degree: 148 Hours			

Questions? Contact Us!

Salary Range: \$60,000-\$180,000

Possible Careers: Aerospace Engineer
Biomedical Engineer
Cyber/Defense Systems Engineer
Cybersecurity Consultant
Flight Systems Engineer
Satellite Systems Engineer
Semiconductor Engineer
Software Systems Developer

City Colleges of Chicago

Dr. Doris Espiritu, Associate Professor
Physical Sciences & Engineering
P: 773-481-8375
E: despiritu@ccc.edu

Southern Illinois University Carbondale

Dr. Spyros Tragoudas, Chair
Department of Electrical & Computer Engineering
P: 618-453-7027
E: spyros@engr.siu.edu

Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Each student must complete at least 120 semester hours of credit. Each student must have at least 42 hours in courses that number 300 or above from a four-year institution.

Residence Requirements. Each student must complete the residence requirement by taking the last year, which is defined as 30 uninterrupted semester hours, or a total of 90 semester hours at SIU Carbondale.

Grade Point Average Requirements. Each student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Dual Admission Program

The Dual Admission Program (DAP) allows baccalaureate-oriented students at eligible community colleges to benefit from pre-advisement for a chosen major at SIU Carbondale. The DAP addresses specific departmental requirements that a student may not automatically fulfill by completing their associate degree at their community college. Students apply to the DAP by completing the Application for Undergraduate Admission and indicating interest in the DAP. Students must have at least two semesters remaining at their community college to participate, [must select a participating SIU major](#), and [must attend an eligible community college](#). Students who apply for the DAP are provided a transfer plan that will guide them to the most direct route to their bachelor's degree, along with personalized contact with an SIU representative. Dual Admission Program students receive access to enroll in an online Dual Admission Program course, which connects students early to the University, its resources, and other transfer students.

Compact Agreement

SIU has recognized the Illinois regionally accredited community college transferable baccalaureate oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIU will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC). The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Degree Works

Degree Works is an easy-to-use, comprehensive, online degree audit tool specifically designed for students. The audit reflects program requirements from the Undergraduate Catalog measured against registration and transfer work to guide the degree audit function as it applies to the individual student. Once admitted to SIU Carbondale, you can run a Degree Works degree audit against your academic record by searching "Degree Works" in [SalukiNet](#).
