

TRANSFER GUIDE

AAS Manufacturing Engineering Technology Transferring into BS Industrial Maintenance & Applied Engineering

| Danville Area Community College Courses | | | |
|---|--------------------------------|---------------------|----------------------------------|
| AAS Manufacturing Engineering Technology CAD Option - 63 hours | | | |
| ENGL 101-3 | Rhetoric | MFRG 100-3 | Industrial Safety |
| MATH 111-5 | College Algebra | MFRG 160-3 | Machining I |
| Elective-3 | Social Science | MFRG 161-3 | Machining II |
| Elective-3 | Humanities | MFRG 162-3 | Machining III |
| DRAF 160-3 | Machining Graphics | MFRG 168-4 | CNC Setup & Operations |
| DRAF 162-3 | Techn in Advan Mfg | MFRG 169-4 | Intro to CNC Programming |
| DRAF 166-3 | Intro to AutoCAD | MFRG 280-3 | CAD/CAM |
| DRAF 266-3 | Applied AutoCAD | Elective-3 | Technical Elective |
| DRAF 276-3 | Adv AUTOCAD Applications | ENGL 122-3 | Technical Communication |
| INFO 245-1 | Employment Seminar | CBUS 150-3 | Business Computer Systems |
| INST 101-1 | Success in College | | |
| Southern Illinois University Carbondale Courses Capstone Option | | | |
| BS Industrial Management & Applied Engineering (IMAE) – 63-64 hours | | | |
| CMST 101-3 | Intro to Oral Communication | IMAE 340/PSYC 323-3 | Intro Supervision/Org Psych |
| Elective-3 | Fine Arts | IMAE 375-3 | Production & Inventory Mgmt |
| Elective-3 | Multicultural | IMAE 390-3 | Cost Estimating |
| Elective-3 | Social Science | IMAE 392-3 | Facilities Planning & Work Desgn |
| PHYS 203A, 253A-4 | College Physics w/Lab | IMAE 442-3 | Fundamentals of Leadership |
| PHYS 203B, 253B-4 | College Physics w/Lab | IMAE 445-3 | Computer Integrated Mfg |
| Elective-3 | Life Science | IMAE 450-3 | Project Management |
| Elective-3 | Fine Arts | IMAE 465-3 | Lean Manufacturing |
| Elective-3 | Multicultural | IMAE 470A-3 | Six Sigma Green Belt I |
| IMAE 110-3 | Geom Dimension/Tolerencing | IMAE 470B-3 | Six Sigma Green Belt II |
| IMAE 208-3 | Fund of Manufacturing Proc | IMAE 476-3 | Supply Chain Management |
| IMAE 307/MATH 140-3 | Appl Calculus Tech/Course Calc | | |
| Total Hours to Bachelor Degree: 126-127 hours | | | |

Salary Range: \$50,000-\$70,000

Possible Careers: Production Manager
Manufacturing Engineer
Quality Engineer
Plant Manager
Project Engineer

Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Student must complete at least 120 semester hrs of credit. Each student must have at least 42 hrs in courses that number 300 or above from a four-year institution.

Residence Requirements. Student must complete the residency requirement by taking a total of 42 semester hrs at SIU Carbondale.

Grade Point Average Requirements. Student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Compact Agreement

SIU Carbondale has recognized Illinois regionally accredited community college transferable baccalaureate-oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIUC will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC) requirements. The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Saluki Transfer Pathways

[Saluki Transfer Pathways](#) is the university's dual admission program that allows baccalaureate-oriented students at eligible community colleges intending to transfer to SIU Carbondale to benefit from early admission and pre-advisement for a baccalaureate program at SIUC. Saluki Transfer Pathways allows students to be conditionally admitted to SIU Carbondale up to two years in advance of their intended transfer term so they have access to transfer credit evaluation and the university's degree audit system. This allows students to address major specific requirements that may not be automatically fulfilled with the completion of an associate degree. Students apply to Saluki Transfer Pathways by completing the Application for Undergraduate Admission and indicating an interest in the program. To participate, students must have at least two semesters remaining at their community college. Direct questions about the Saluki Transfer Pathways program to transfer@siu.edu.

DegreeWorks

DegreeWorks is an easy-to-use, online degree audit tool specifically designed for students. Once admitted to SIU Carbondale, you can use it monitor your progress toward your degree in [Salukinet](#).

Saluki Transfer Estimator Portal (STEP)

The [Saluki Transfer Estimator Portal](#) (STEP) is a web-based tool that integrates institutional course equivalency and degree audit data to provide an unofficial credit estimation and a more seamless transfer process. STEP gives transfer students a clear roadmap for timely degree completion by providing key information about how transfer credits apply to your intended program at SIU.
