

TRANSFER GUIDE

AAS Architectural Engineering Technology Transferring into BS Technical Resource Management

Delaware Technical and Community College Courses			
AAS Architectural Engineering Technology – 68 hours			
MAT 181-4	Algebra & Trigonometry I	AET 264-3	Architectural CAD Applications
ENG 101-3	Critical Thinking & Academic Writ	AET 250-4	Arch Drafting/Design III
ENG 102-3	Composition & Research	AET 234-3	Cost Estimating/Planning
Elective-3	Social Science	AET 236-3	Building Service Systems
Elective-3	Social Science	AET 275-4	Arch Design: Foundation Studies I
PHY 205-4	General Physics I	MET 132-3	Statics
AET 123-4	Arch Drafting	AET 270-4	Arch Drafting/Design IV
AET 135-3	Construction Materials/Methods	AET 232-3	Contracts/Specifications
EDD 171-3	Intro to CAD Using AutoCAD 3	MET 242-3	Strength of Materials
AET 125-4	Arch Drafting/Design II	MAT 182-4	Algebra & Trigonometry II
Southern Illinois University Carbondale Courses			
BS Technical Resource Management – 54 hours			
Elective-3	Humanities	TRM 464-3	Managing for Quality
Elective-3	Life Science	TRM 470-3	Project Management
Elective-3	Fine Arts	Support	Select 2 of TRM 332, 361, 362, 363, 421,
Elective-3	Multicultural	Courses-6	426, 440
TRM 316-3	Apps Technical Communication	TRM Courses-6	TRM 319, 320, 350, 358
TRM 364-3	Work Center Management	Electives-15	Approved 300/400 level
TRM 383-3	Data Apps & Interpretation		
Total Hours to Bachelor Degree: 126 Hours

Southern Illinois University Carbondale

Dr. John Legier
Professor, Technical Resource Management
P: 618-453-8830
E: jlegier@siu.edu

Baccalaureate Degree Requirements Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Each student must complete at least 120 semester hours of credit. Each student must have at least 42 hours in courses that number 300 or above from a four-year institution.

Residence Requirements. Each student must complete the residence requirement by taking the last year, which is defined as 30 uninterrupted semester hours, or a total of 90 semester hours at SIU Carbondale.

Grade Point Average Requirements. Each student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Dual Admission Program

The Dual Admission Program (DAP) allows baccalaureate-oriented students at eligible community colleges to benefit from pre-advisement for a chosen major at SIU Carbondale. The DAP addresses specific departmental requirements that a student may not automatically fulfill by completing their associate degree at their community college. Students apply to the DAP by completing the Application for Undergraduate Admission and indicating interest in the DAP. Students must have at least two semesters remaining at their community college to participate, [must select a participating SIU major](#), and [must attend an eligible community college](#). Students who apply for the DAP are provided a transfer plan that will guide them to the most direct route to their bachelor's degree, along with personalized contact with an SIU representative. Dual Admission Program students receive access to enroll in an online Dual Admission Program course, which connects students early to the University, its resources, and other transfer students.

Compact Agreement

SIU has recognized the Illinois regionally accredited community college transferable baccalaureate oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIU will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC). The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Degree Works

Degree Works is an easy-to-use, comprehensive, online degree audit tool specifically designed for students. The audit reflects program requirements from the Undergraduate Catalog measured against registration and transfer work to guide the degree audit function as it applies to the individual student. Once admitted to SIU Carbondale, you can run a Degree Works degree audit against your academic record by searching "Degree Works" in [SalukiNet](#).
