

TRANSFER GUIDE

AS General transferring into BS Biomedical Engineering

Elgin Community College Courses			
AS General – 60 hours			
ENG 101-3	English Composition I	Elective-3	Social Science
ENG 102-3	English Composition II	Elective-3	Humanities
CMS 101-3	Fundamentals of Speech	Elective-3	Fine Arts
MTH 190-5	Calculus w/Analytic Geometry	MTH 210-5	Calculus w/ Analytic Geometry II
PHY 211-5	Engineering Physics I	MTH 230-5	Calculus w/ Analytic Geometry III
PHY 212-5	Engineering Physics II	MTH 250-4	Differential Equations
BIO 113-4	Molecular & Cellular Biology	CHM 142-5	General Chemistry I
Elective-3	Behavioral Science	Elective-1	See Approved Elective List
Southern Illinois University Carbondale Courses			
BS Biomedical Engineering (BME) – 65 hours			
PHSL 201/208-4	Human Physiology	BME 495A-3	BME Senior Design I
BME 101-3	Intro to Biomedical Engineering	BME 495B-3	BME Senior Design II
BME 296/L-4	Intro Software Tools Robotics/Lab	ECE 222-3	Intro to Digital Computation
BME 337-3	Bioelectricity	ECE 235/L-4	Electric Circuits I/Lab
BME 338/L-4	Biomedical Measurements/Lab	ECE 355/L-4	Signals and Systems/Lab
BME 351-3	Prob and Stat Analysis for Engineers	Electives-24	Choose from approved technical electives
BME 438-3	Medical Instrumentation: App & Des		
Total Hours to Bachelor Degree: 125 Hours

Elgin Community College

Tracy Vittone, Director

Transfer Services

P: 847-214-7548

E: tvittone@elgin.edu

Southern Illinois University Carbondale

Dr. Spyros Tragoudas, Director

School of Electrical, Computer & Biomedical
Engineering

P: 618-536-2364

E: spyros@engr.siu.edu

Salary Range: \$41,950-\$91,410

Possible Careers: Bioinstrumentation Engineer
Rehabilitation Engineer
Biomedical Researcher
Clinical Patient Evaluator

Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Student must complete at least 120 semester hrs of credit. Each student must have at least 42 hrs in courses that number 300 or above from a four-year institution.

Residence Requirements. Student must complete the residency requirement by taking a total of 42 semester hrs at SIU Carbondale.

Grade Point Average Requirements. Student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Compact Agreement

SIU Carbondale has recognized Illinois regionally accredited community college transferable baccalaureate-oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIUC will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC) requirements. The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Saluki Transfer Pathways

[Saluki Transfer Pathways](#) is the university's dual admission program that allows baccalaureate-oriented students at eligible community colleges intending to transfer to SIU Carbondale to benefit from early admission and pre-advisement for a baccalaureate program at SIUC. Saluki Transfer Pathways allows students to be conditionally admitted to SIU Carbondale up to two years in advance of their intended transfer term so they have access to transfer credit evaluation and the university's degree audit system. This allows students to address major specific requirements that may not be automatically fulfilled with the completion of an associate degree. Students apply to Saluki Transfer Pathways by completing the Application for Undergraduate Admission and indicating an interest in the program. To participate, students must have at least two semesters remaining at their community college. Direct questions about the Saluki Transfer Pathways program to transfer@siu.edu.

DegreeWorks

DegreeWorks is an easy-to-use, online degree audit tool specifically designed for students. Once admitted to SIU Carbondale, you can use it monitor your progress toward your degree in [Salukinet](#).

Saluki Transfer Estimator Portal (STEP)

The [Saluki Transfer Estimator Portal](#) (STEP) is a web-based tool that integrates institutional course equivalency and degree audit data to provide an unofficial credit estimation and a more seamless transfer process. STEP gives transfer students a clear roadmap for timely degree completion by providing key information about how transfer credits apply to your intended program at SIU.
