

TRANSFER GUIDE

AS Associate in Science transferring into BS Civil Engineering

Elgin Community College Courses			
AS Associate in Science – 72 hours			
ENG 101-3	English Composition I	CIS 121-4	Computer Science I
ENG 102-3	English Composition II	EGR 152-3	Statics
CMS 101-3	Intro to Oral Communication	EGR 252-3	Dynamics
MTH 190-5	Calculus w/Analytic Geometry	EGR 172-3	Mechanics of Materials
BIO 113-4	Molecular & Cellular Biology	PHY 211-5	Engineering Physics I
ECN 201-3	Principles of Microeconomics	PHY 212-5	Engineering Physics II
Elective-3	Social Science	MTH 210-5	Calculus with Analytic Geometry II
Elective-3	Humanities	MTH 230-5	Calculus with Analytic Geometry III
Elective-3	Fine Arts	MTH 250-4	Differential Equations
CHM 142-5	General Chemistry I		
Southern Illinois University Carbondale Courses			
BS Civil Engineering (CE) 62 hours			
CHEM 210-3	General and Inorganic Chemistry	CE 442-3	Structural Steel Design
CE 251-1	Probability & Statistics	CE 444-3	Reinforced Concrete Design
CE 263-3	Basic Surveying	CE 474-3	Water Resources Engineering
CE 301-2	Intro to Sustainability	CE 495A-3	Civil Engineering Design
CE 310/310L-4	Environmental Engr w/Lab	CE 495B-3	Civil Engineering Design
CE 320/320L-4	Soil Mechanics w/Lab	ENGR 351-3	Numerical Methods
CE 330-3	Civil Engineering Materials	ENGR 370A-3	Fluid Mechanics
CE 340-3	Structures	Electives-12	Choose 12 hrs from CE 331 and CE 400-level courses
CE 418-3	Water & Wastewater Treatment		
CE 421-3	Foundation Design		
Total Hours to Bachelor Degree: 134 Hours			

Salary Range: \$50,000-\$90,000

Possible Careers: Staff Engineer
Junior/Senior Engineer
Site Engineer
Project Manager
Consulting Engineer
Project Engineer
Principal Engineer

Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Student must complete at least 120 semester hrs of credit. Each student must have at least 42 hrs in courses that number 300 or above from a four-year institution.

Residence Requirements. Student must complete the residency requirement by taking a total of 42 semester hrs at SIU Carbondale.

Grade Point Average Requirements. Student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Compact Agreement

SIU Carbondale has recognized Illinois regionally accredited community college transferable baccalaureate-oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIUC will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC) requirements. The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Saluki Transfer Pathways

[Saluki Transfer Pathways](#) is the university's dual admission program that allows baccalaureate-oriented students at eligible community colleges intending to transfer to SIU Carbondale to benefit from early admission and pre-advisement for a baccalaureate program at SIUC. Saluki Transfer Pathways allows students to be conditionally admitted to SIU Carbondale up to two years in advance of their intended transfer term so they have access to transfer credit evaluation and the university's degree audit system. This allows students to address major specific requirements that may not be automatically fulfilled with the completion of an associate degree. Students apply to Saluki Transfer Pathways by completing the Application for Undergraduate Admission and indicating an interest in the program. To participate, students must have at least two semesters remaining at their community college. Direct questions about the Saluki Transfer Pathways program to transfer@siu.edu.

DegreeWorks

DegreeWorks is an easy-to-use, online degree audit tool specifically designed for students. Once admitted to SIU Carbondale, you can use it monitor your progress toward your degree in [Salukinet](#).

Saluki Transfer Estimator Portal (STEP)

The [Saluki Transfer Estimator Portal](#) (STEP) is a web-based tool that integrates institutional course equivalency and degree audit data to provide an unofficial credit estimation and a more seamless transfer process. STEP gives transfer students a clear roadmap for timely degree completion by providing key information about how transfer credits apply to your intended program at SIU.
