

TRANSFER GUIDE

AES Engineering Science transferring into BS Electrical Engineering

Harper College Courses			
AES Engineering Science – 62 hours			
ENG 101-3	English Composition I	CSC 214-4	Java Programming
ENG 102-3	English Composition II	EGR 110-4	Intro Electrical & Computer Engineering
MTH 200-5	Calculus & Analytic Geometry I	EGR 120-4	Engineering Graphics I
CHM 121-5	General Chemistry I	EGR 265-4	Circuit Analysis
PHY 201-5	General Physics I-Mech	MTH 201-5	Calculus & Analytic Geometry II
Elective-3	IAI Social Science*	MTH 202-5	Calculus & Analytic Geometry III
Elective-3	IAI Humanities/Fine Arts*	PHY 202-5	General Physics II
CSC 121-4	Computer Science I		
Southern Illinois University Carbondale Courses Capstone Option			
BS Electrical Engineering (EE) – 80 hours			
CMST 101-3	Intro to Oral Communication	ECE 327,327L-4	Digital Circuit Design with HDL w/Lab
Elective-3	Social Science	ECE 336-3	Electric Circuits II
Elective-3	Life Science	ECE 345,345L-4	Electronics w/Lab
Elective-3	Fine Arts	ECE 355,355L-4	Signals & Systems w/Lab
Elective-3	Multicultural	ECE 375-3	Intro to Electromagnetic Fields
BIOL 202-2	Human Genetics & Human Health	ECE 495E-3	EE Senior Design I
ECE 296,296L-4	Intro Microcontlr & Robotics w/Lab	ECE 495D-3	ECE Senior Design II
ECE 315-4	Mathematical Methods in ECE	ECE Tech Elect-31	Select from list of approved courses
Total Hours to Bachelor Degree: 142 Hours			

*One course must satisfy a World Cultures & Diversity requirement

Salary Range: \$60,000-\$150,000

Possible Careers: Aerospace Engineer
Automotive Engineer
Biomedical Engineer
Controls Systems Engineer
Cyber Systems Engineer
Defense Systems Engineer
Electronics Engineer
Electromagnetics Engineer
Power Systems Engineer
Research & Development Engineer
Robotics Engineer Semiconductor/VLSI
Engineer Signal Processing Engineer
Telecommunications Engineer

Disclaimer: You are encouraged to use this transfer guide when planning your progress towards degree completion. Following a transfer guide does not guarantee admission into the listed program. Information is assumed current; however, any curriculum changes reflected in the Undergraduate Catalog override the information on this guide. Contact your Academic Advisor for assistance in interpreting this guide.

Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Student must complete at least 120 semester hrs of credit. Each student must have at least 42 hrs in courses that number 300 or above from a four-year institution.

Residence Requirements. Student must complete the residency requirement by taking a total of 42 semester hrs at SIU Carbondale.

Grade Point Average Requirements. Student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Compact Agreement

SIU Carbondale has recognized Illinois regionally accredited community college transferable baccalaureate-oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIUC will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC) requirements. The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Saluki Transfer Pathways

[Saluki Transfer Pathways](#) is the university's dual admission program that allows baccalaureate-oriented students at eligible community colleges intending to transfer to SIU Carbondale to benefit from early admission and pre-advisement for a baccalaureate program at SIUC. Saluki Transfer Pathways allows students to be conditionally admitted to SIU Carbondale up to two years in advance of their intended transfer term so they have access to transfer credit evaluation and the university's degree audit system. This allows students to address major specific requirements that may not be automatically fulfilled with the completion of an associate degree. Students apply to Saluki Transfer Pathways by completing the Application for Undergraduate Admission and indicating an interest in the program. To participate, students must have at least two semesters remaining at their community college. Direct questions about the Saluki Transfer Pathways program to transfer@siu.edu.

DegreeWorks

DegreeWorks is an easy-to-use, online degree audit tool specifically designed for students. Once admitted to SIU Carbondale, you can use it monitor your progress toward your degree in [Salukinet](#).

Saluki Transfer Estimator Portal (STEP)

The [Saluki Transfer Estimator Portal](#) (STEP) is a web-based tool that integrates institutional course equivalency and degree audit data to provide an unofficial credit estimation and a more seamless transfer process. STEP gives transfer students a clear roadmap for timely degree completion by providing key information about how transfer credits apply to your intended program at SIU.
