

# TRANSFER GUIDE

## AS Mathematics transferring into BS Mathematics

Kaskaskia College Courses			
AS Mathematics – 65 hours			
GUID 109-1	First Year College Experience	Elective-3	Fine Arts
ENGL 101	English Composition	HLTH 102-3	Human Health and Wellness
ENGL 102	English Composition	CITA 110-1	Intro to Word Processing
SPCH 103	Fundamentals of Speech	MATH 166-5 <sup>3</sup>	Calculus & Analytical Geometry I
MATH 136-4	General Statistics	MATH 210-3 <sup>2</sup>	Computer Programming for Engr
PSYH 101-3	Psychology	MATH 236-3 <sup>1</sup>	Linear Algebra
Elective-3	Social/Behavioral Science	MATH 267-4 <sup>1</sup>	Calculus & Analytical Geometry II
PHLE 120-3	Ethics	MATH 268-4 <sup>2</sup>	Calculus & Analytical Geometry III
PHYS 201-5 <sup>1</sup>	University Physics I	MATH 269-3 <sup>1</sup>	Differential Equations
Elective-3	Biology Elective	PHYS 202-5 <sup>2</sup>	University Physics II
<sup>1</sup> Only offered Spring, <sup>2</sup> Only offered Fall, <sup>3</sup> Offered Spring and Fall			
Southern Illinois University Carbondale Courses			
BS Mathematics– 60 hours			
Elective-3	Foreign Language 1 <sup>st</sup> semester	Grp B Math Elective-3	Choose from: MATH 352, 450, or 455
Elective-3	Foreign Language 2 <sup>nd</sup> semester	Grp D Math	Choose from: MATH 335, 380, 433, 480, or 483
Elective-3	Additional Life Science	Elective-3	
MATH 302-3	Transition to Higher Math	MATH Electives-12	Four Math courses at 300/400 level
Grp A Math	Choose from: MATH 319, 349,	Gen Electives-27	300/400 level as necessary to meet
Elective-3	419, or 421		42 senior hrs requirement
<b>Total Hours to Bachelor Degree: 125 Hours</b>

**Salary Range:** \$50,000-\$130,000

**Possible Careers:** Actuary  
 Statistician  
 Mathematician  
 Data Analyst  
 Financial Analyst  
 Data Scientist  
 K-12 Teacher  
 College Professor

**Kaskaskia College**  
 Eric Hofelich, Professor  
 Mathematics  
 P: 618- 545-3359  
 E: [ehofelich@kaskaskia.edu](mailto:ehofelich@kaskaskia.edu)

**Southern Illinois University Carbondale**  
 Dr. Wesley Calvert, Director  
 Undergraduate Math Studies  
 P: 618-453-6582  
 E: [wcalvert@siu.edu](mailto:wcalvert@siu.edu)

## Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

**Hour Requirements.** Each student must complete at least 120 semester hours of credit. Each student must have at least 42 hours in courses that number 300 or above from a four-year institution.

**Residence Requirements.** Each student must complete the residence requirement by taking the last year, which is defined as 30 uninterrupted semester hours, or a total of 90 semester hours at SIU Carbondale.

**Grade Point Average Requirements.** Each student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

## Dual Admission Program

The Dual Admission Program (DAP) allows baccalaureate-oriented students at eligible community colleges to benefit from pre-advisement for a chosen major at SIU Carbondale. The DAP addresses specific departmental requirements that a student may not automatically fulfill by completing their associate degree at their community college. Students apply to the DAP by completing the Application for Undergraduate Admission and indicating interest in the DAP. Students must have at least two semesters remaining at their community college to participate, [must select a participating SIU major](#), and [must attend an eligible community college](#). Students who apply for the DAP are provided a transfer plan that will guide them to the most direct route to their bachelor's degree, along with personalized contact with an SIU representative. Dual Admission Program students receive access to enroll in an online Dual Admission Program course, which connects students early to the University, its resources, and other transfer students.

## Compact Agreement

SIU has recognized the Illinois regionally accredited community college transferable baccalaureate oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIU will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC). The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

## Degree Works

*Degree Works* is an easy-to-use, comprehensive, online degree audit tool specifically designed for students. The audit reflects program requirements from the Undergraduate Catalog measured against registration and transfer work to guide the degree audit function as it applies to the individual student. Once admitted to SIU Carbondale, you can run a Degree Works degree audit against your academic record by searching "Degree Works" in [SalukiNet](#).
