

TRANSFER GUIDE

AS Mathematics transferring into BS Physics: Computational Physics

Kaskaskia College Courses			
AS Mathematics – 65 hours			
GUID 109-1	First Year College Experience	Elective-3	Fine Arts
ENGL 101-3	English Composition	HLTH 102-3	Human Health and Wellness
ENGL 102-3	English Composition	CITA 110-1	Intro to Word Processing
SPCH 103-3	Fundamentals of Speech	MATH 166-5 ³	Calculus & Analytical Geometry I
MATH 136-4	General Statistics	MATH 210-3 ²	Computer Programming for Engr
PSYH 101-3	Psychology	MATH 236-3 ¹	Linear Algebra
Elective-3	Social/Behavioral Science	MATH 267-4 ¹	Calculus & Analytical Geometry II
PHLE 120-3	Ethics	MATH 268-4 ²	Calculus & Analytical Geometry III
PHYS 201-5 ¹	University Physics I	MATH 269-3 ¹	Differential Equations
Elective-3	Biology Elective	PHYS 202-5 ²	University Physics II
<small>¹ Only offered Spring, ² Only offered Fall, ³ Offered Spring and Fall</small>			
Southern Illinois University Carbondale Courses			
BS Physics: Computational Physics – 55 hours			
Elective-3	Additional Life Science course	PHYS 320-3	Electricity & Magnetism I
CHEM 200/ 201/202-5	Intro to Chemical Principles/ Lab/Workshop	PHYS 420-3	Electricity & Magnetism II
		PHYS 430-3	Quantum Mechanics I
CS 215-4	Discrete Mathematics	PHYS 440-3	Quantum Mechanics II
CS 220-4	Programming w/ Data Structures	PHYS 445-3	Thermodynamics/Statistical Mechanics
PHYS 100-1	Undergraduate Seminar	PHYS 476C-3	Intro to Computational Physics
PHYS 301-3	Theoretical Methods in Physics	Math Elective-3	Choose 3 hrs from approved courses
PHYS 305/355-4	Modern Physics/Lab	Comp Phys Elect-5	Choose 5 hrs from approved courses
PHYS 310-3	Classical Mechanics	General Electives-2	As necessary to fulfill 120 hrs to BS
Total Hours to Bachelor Degree: 120 Hours			

Questions? Contact Us!

Salary Range: \$30,000-\$75,000

Possible Careers: Data Scientist/Data Analyst
Materials Processing Engineer
Laser Physicist Engineer

Possible Graduate Studies: Physics/Applied Physics
Electrical/Computer Engineering
Business/Economics/Finance

Kaskaskia College
Eric Hofelich, Professor
Mathematics
P: 618- 545-3359
E: ehofelich@kaskaskia.edu

Southern Illinois University Carbondale
Dr. Thushari Jayasekera, UG Program Director
Department of Physics
P: 618-453-1056
E: thushari@siu.edu

Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Each student must complete at least 120 semester hours of credit. Each student must have at least 42 hours in courses that number 300 or above from a four-year institution.

Residence Requirements. Each student must complete the residence requirement by taking the last year, which is defined as 30 uninterrupted semester hours, or a total of 90 semester hours at SIU Carbondale.

Grade Point Average Requirements. Each student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Dual Admission Program

The Dual Admission Program (DAP) allows baccalaureate-oriented students at eligible community colleges to benefit from pre-advisement for a chosen major at SIU Carbondale. The DAP addresses specific departmental requirements that a student may not automatically fulfill by completing their associate degree at their community college. Students apply to the DAP by completing the Application for Undergraduate Admission and indicating interest in the DAP. Students must have at least two semesters remaining at their community college to participate, [must select a participating SIU major](#), and [must attend an eligible community college](#). Students who apply for the DAP are provided a transfer plan that will guide them to the most direct route to their bachelor's degree, along with personalized contact with an SIU representative. Dual Admission Program students receive access to enroll in an online Dual Admission Program course, which connects students early to the University, its resources, and other transfer students.

Compact Agreement

SIU has recognized the Illinois regionally accredited community college transferable baccalaureate oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIU will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC). The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Degree Works

Degree Works is an easy-to-use, comprehensive, online degree audit tool specifically designed for students. The audit reflects program requirements from the Undergraduate Catalog measured against registration and transfer work to guide the degree audit function as it applies to the individual student. Once admitted to SIU Carbondale, you can run a Degree Works degree audit against your academic record by searching "Degree Works" in [SalukiNet](#).
