

TRANSFER GUIDE

AAS Automotive Technology transferring into BS Automotive Technology

Kentucky Community & Technical College Courses			
AAS Automotive Technology – 69-72 hours			
ENG 101-3	Writing/Accessing Information	AUT 160-3	Suspension Steering
MAT 146-3	Mathematics	AUT 180-3	Automatic Transmission/Transaxle
PHY 151-3	Science	AUT 240-3	Computer Control Systems/Diagnostics
Elective-3	Heritage/Humanities	ADX 121-2	Basic Automotive Electricity Lab
PSY 110-3	Social/Behavioral Science	ADX 151-2	Engine Repair Lab
Course-3	Computer Literacy Course	ADX 171-1	Climate Control Lab
ADX 120-3	Basic Automotive Electricity	ADX 261-2	Electrical Systems Lab
ADX 150-3	Engine Repair	AUT 111-2	Brake Systems Lab
ADX 170-3	Climate Control	AUT 131-2	Manual Transmissions Lab
ADX 260-3	Electrical Systems	AUT 141-2	Basic Fuel Ignition Systems Lab
AUT 110-3	Brake Systems	AUT 143-2	Emission Systems Lab
AUT 130-3	Manual Transmissions	AUT 161-2	Suspension Steering Lab
AUT 140-3	Basic Fuel Ignition Systems	AUT 181-2	Automatic Transmissions/Tran Lab
AUT 142-3	Emission Systems	AUT 241-2	Computer Control Sys/Diagnostics Lab
Southern Illinois University Carbondale Courses			
BS Automotive Technology -- 58 hours			
CMST 101-3	Intro to Oral Communication	Elective-3	Multicultural
Elective-3	Science Gr 2 Elective	AUT Courses-15	300/400 level
Elective-3	Social Science	BUS/MGMT Courses-15	300/400 level
Elective-3	Fine Arts	Courses-13	Support Courses 300/400 level
Total Hours to Bachelor Degree: 127-130

Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Each student must complete at least 120 semester hours of credit. Each student must have at least 42 hours in courses that number 300 or above from a four-year institution.

Residence Requirements. Each student must complete the residence requirement by taking the last year, which is defined as 30 uninterrupted semester hours, or a total of 90 semester hours at SIU Carbondale.

Grade Point Average Requirements. Each student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Dual Admission Program

The Dual Admission Program (DAP) allows baccalaureate-oriented students at eligible community colleges to benefit from pre-advisement for a chosen major at SIU Carbondale. The DAP addresses specific departmental requirements that a student may not automatically fulfill by completing their associate degree at their community college. Students apply to the DAP by completing the Application for Undergraduate Admission and indicating interest in the DAP. Students must have at least two semesters remaining at their community college to participate, [must select a participating SIU major](#), and [must attend an eligible community college](#). Students who apply for the DAP are provided a transfer plan that will guide them to the most direct route to their bachelor's degree, along with personalized contact with an SIU representative. Dual Admission Program students receive access to enroll in an online Dual Admission Program course, which connects students early to the University, its resources, and other transfer students.

Compact Agreement

SIU has recognized the Illinois regionally accredited community college transferable baccalaureate oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIU will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC). The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Degree Works

Degree Works is an easy-to-use, comprehensive, online degree audit tool specifically designed for students. The audit reflects program requirements from the Undergraduate Catalog measured against registration and transfer work to guide the degree audit function as it applies to the individual student. Once admitted to SIU Carbondale, you can run a Degree Works degree audit against your academic record by searching "Degree Works" in [SalukiNet](#).
