CARBONDALE

TRANSFER GUIDE

AAS Construction/Building Technology transferring into BS Architectural Studies

Mineral Area College Courses			
AAS Construction/Building Technology – 68 hours			
ENG 1440-3	Public Speaking	CBT 1600-3	Exterior Finishes
ENG 1330-3	English Composition I	CBT 1700-3	Interior Finishes
Elective-3	Human Development	CBT 1800-3	Plumbing
Elective-3	History/Political Science	CBT 1900-3	Fundamental Aspects of Industry
Elective-3	Science	CBT 2000-3	Const/Build Tech Internship I
CBT 1020-3	Construction Carpentry Skills I	CBT 2020-3	Const/Build Tech Internship II
CBT 1100-3	Blueprint Reading & Layout	HIS XXXX-3	Mo Higher Education Civics Course
CBT 1160-3	Materials & Cost Estimation	GUI 1010-1	First Year Seminar
CBT 1200-3	Construction Carpentry Skills II	PAW 1060-1	Preparation for Employment
CBT 1300-3	Concrete & Forms	TEC 1900-3	Technical Math I
CBT 1400-3	Floor/Wall Layout & Framing	TEC 1910-3	Technical Math II
CBT 1500-3	Roofing Skills	Course-3	Computer Literacy Course
Southern Illinois University Carbondale Courses			
BS Architectural Studies (ARC) – 103 hours			
ENGL 102-3	English Composition II	ARC 251-4	Design I: Concept
HIST 101A-3	History of World Civ I	ARC 252-4	Design II: Order
HIST 101B-3	History of World Civ II	ARC 271-3	Computers in Architecture
MATH 108-3	College Algebra	ARC 341-4	Build Technology II: Masonry & Concrete
MATH 109-3	Trig & Analytic Geometry	ARC 342-4	Build Technology III: Steel
PHYS 203A,253A-4	College Physics w/Lab	ARC 351-5	Design III: Context
Elective-2	Human Health	ARC 352-5	Design IV: Complexity
Elective-3	Multicultural	ARC 361-3	Structures I: Statics & Steel
HORT 328A-2	Landscape Design	ARC 362-3	Structures II: Wood & Concrete
HORT 328B-2	Landscape Design Studio	ARC 381-2	Environmental Design I: Site Planning
ARC 121-4	Design Communication I	ARC 451-6	Urban Design & Community
ARC 122-4	Design Communication II	ARC 452-6	Design VI: Integration
ARC 231-3	Architectural History I	ARC 462-3	Structures III: Analysis & Lateral Forces
ARC 232-3	Architectural History II	ARC 481-3	Environmental Design II: Energy & Systems
ARC 242-3	Building Technology I: Wood	ARC 482-3	Environmental Design III: Light & Acoustics
Total Hours to Bachelor Degree: 171 Hours			

Salary Range: \$31,000-\$69,000

Possible Careers: Architect
Landscape Architect
Urban & Regional Planner
Com/Resid Surveyor
Buildings Inspector

Disclaimer: You are encouraged to use this transfer guide when planning your progress towards degree completion. Following a transfer guide does not guarantee admission into the listed program. Information is assumed current; however, any curriculum changes reflected in the Undergraduate Catalog override the information on this guide. Contact your Academic Advisor for assistance in interpreting this guide.

Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Student must complete at least 120 semester hrs of credit. Each student must have at least 42 hrs in courses that number 300 or above from a four-year institution.

Residence Requirements. Student must complete the residency requirement by taking a total of 42 semester hrs at SIU Carbondale.

Grade Point Average Requirements. Student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Compact Agreement

SIU Carbondale has recognized Illinois regionally accredited community college transferable baccalaureate-oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIUC will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC) requirements. The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Saluki Transfer Pathways

[Saluki Transfer Pathways](#) is the university's dual admission program that allows baccalaureate-oriented students at eligible community colleges intending to transfer to SIU Carbondale to benefit from early admission and pre-advisement for a baccalaureate program at SIUC. Saluki Transfer Pathways allows students to be conditionally admitted to SIU Carbondale up to two years in advance of their intended transfer term so they have access to transfer credit evaluation and the university's degree audit system. This allows students to address major specific requirements that may not be automatically fulfilled with the completion of an associate degree. Students apply to Saluki Transfer Pathways by completing the Application for Undergraduate Admission and indicating an interest in the program. To participate, students must have at least two semesters remaining at their community college. Direct questions about the Saluki Transfer Pathways program to transfer@siu.edu.

DegreeWorks

DegreeWorks is an easy-to-use, online degree audit tool specifically designed for students. Once admitted to SIU Carbondale, you can use it monitor your progress toward your degree in [Salukinet](#).

Saluki Transfer Estimator Portal (STEP)

The [Saluki Transfer Estimator Portal](#) (STEP) is a web-based tool that integrates institutional course equivalency and degree audit data to provide an unofficial credit estimation and a more seamless transfer process. STEP gives transfer students a clear roadmap for timely degree completion by providing key information about how transfer credits apply to your intended program at SIU.
