

TRANSFER GUIDE

AAS Facilities Energy Systems Tech transferring into BS Industrial Mgmt & Applied Engineering

Oakton Community College Courses			
AAS Facilities Energy Systems Technology – 61 hours			
SPE 103-3	Effective Speech	AHR 206-3	Res Hot Water Boilers & Hydronics Tech
EGL 101-3	Composition I	CIS 101-3 or	Intro to Computer Info Systems or
MATH 140-3	College Algebra	CIS 103-3	Computer Software Concepts
PHY 101-4 or PHY 131-4	Applied Physics or College Physics I	FME 101-3	Intro to Facilities Mgmt & Engineering
Gen Ed-3	Social/Behavioral Science (Area D) and Global Studies (Area F or G) or US Diversity	FME 107-4	Blue Print Reading for Building Trades
Gen Ed-3		FME 201-4	Mechanical/Electrical Systems in Bldgs
	Humanities/Fine Arts (Area E) and Global Studies (Area F or G) or US Diversity	FME 240-3	Energy Management & DDC Controls
AHR 101-4		Introduction to AC & Refrigeration	Major Electives-14 Choose from AHR 104, 208, 209, 212, 213, 214; CAD 116; ELT 101; FME 2581; MFG 240
AHR 105-1	EPA Section 608 Certification		
Southern Illinois University Carbondale Courses			
BS Industrial Management & Applied Engineering – 64 hours			
Elective-3	Social Science	IMAE 376-3	Supply Chain Ops & Logistics
Elective-3	Life Science	IMAE 390-3	Cost Estimating
Elective-3	Fine Arts/Humanities	IMAE 392-3	Facilities Planning/Workplace Design
Elective-3	Multicultural	IMAE 442-3	Fundamentals of Leadership
PHYS 203/253B-4	College Physics with Lab	IMAE 445-3	Computer Integrated Manufacturing
IMAE 110-3	Geom Dimensioning & Tolerancing	IMAE 450-3	Project Management
IMAE 208-3	Fundamentals of Mfg Processes	IMAE 465-3	Lean Manufacturing
IMAE 305-3	Industrial Safety	IMAE 470A-3	Six Sigma Green Belt I
IMAE 307-3	Applied Calculus for Technology	IMAE 470B-3	Six Sigma Green Belt II
IMAE 340-3 or PSYC 323-3	Intro to Supervision or Organizational Psychology	IMAE 476-3	Supply Chain Design & Strategy
		IMAE Elective-3	Must be at 300/400 level
Total Hours to Bachelor Degree: 125 Hours

Salary Range: \$50,000-\$70,000

Possible Careers: Production Manager
Manufacturing Engineer
Quality Engineer
Plant Manager
Project Engineer

Oakton Community College
Boguslaw Zapal, Program Coordinator
Manufacturing Technology
P: 847-376-7707
E: bzapal@oakton.edu

Southern Illinois University Carbondale
Dr. Julie Dunston, Chair
Department of Technology
P: 618-536-3396
E: dunston@siu.edu

Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Each student must complete at least 120 semester hours of credit. Each student must have at least 42 hours in courses that number 300 or above from a four-year institution.

Residence Requirements. Each student must complete the residence requirement by taking the last year, which is defined as 30 uninterrupted semester hours, or a total of 90 semester hours at SIU Carbondale.

Grade Point Average Requirements. Each student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Dual Admission Program

The Dual Admission Program (DAP) allows baccalaureate-oriented students at eligible community colleges to benefit from pre-advisement for a chosen major at SIU Carbondale. The DAP addresses specific departmental requirements that a student may not automatically fulfill by completing their associate degree at their community college. Students apply to the DAP by completing the Application for Undergraduate Admission and indicating interest in the DAP. Students must have at least two semesters remaining at their community college to participate, [must select a participating SIU major](#), and [must attend an eligible community college](#). Students who apply for the DAP are provided a transfer plan that will guide them to the most direct route to their bachelor's degree, along with personalized contact with an SIU representative. Dual Admission Program students receive access to enroll in an online Dual Admission Program course, which connects students early to the University, its resources, and other transfer students.

Compact Agreement

SIU has recognized the Illinois regionally accredited community college transferable baccalaureate oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIU will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC). The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Degree Works

Degree Works is an easy-to-use, comprehensive, online degree audit tool specifically designed for students. The audit reflects program requirements from the Undergraduate Catalog measured against registration and transfer work to guide the degree audit function as it applies to the individual student. Once admitted to SIU Carbondale, you can run a Degree Works degree audit against your academic record by searching "Degree Works" in [SalukiNet](#).
