

TRANSFER GUIDE

AAS Radiologic Technology transferring into BS Radiologic Sciences Radiation Therapy Technology

South Suburban College Courses			
AAS Radiologic Technology – 75 hours			
ENG 101-3	Composition & Rhetoric	RAD 105-3	Radiographic Procedures 2
SPE 108-3	Oral Communication	RAD 106-3	Radiographic Principles 1
PSY 101-3	Intro to Psychology	RAD 107-3	Radiographic Principles 2
Elective-3	Humanities	RAD 125-2	Intro to Clinical Practice
BIO 105-4	General Biology I	RAD 126-3	Clinical Education 1
BIO 185*,186-8	Human Anat & Physiology I & II	RAD 127-3	Clinical Education 2
FAD 205-2	Emergency Care & Safety/CPR Cert	RAD 204-3	Radiographic Procedures 3
HIT 102-1	Fundamentals Medical Terminology	RAD 205-3	Radiographic Physics
OCS 121-1	Overview for College Success	RAD 207-3	Radiobiology
PHY 115-3	Topics of Applied Physics	RAD 225-4	Clinical Education 3
RAD 100-1	Foundations Radiology Tech	RAD 226-4	Clinical Education 4
RAD 101-3	Radiographic Fundamentals	RAD 235-3	Radiographic Seminar
RAD 104-3	Radiographic Procedures 1		
Southern Illinois University Carbondale Courses Capstone Option			
BS Radiologic Sciences (RADS) Radiation Therapy Technology Specialization – 57 hours			
Elective-3	Mathematics	RAD 390-2	Oncology Nursing
Elective-3	Social Science	RAD 400-3	Radiation Dosimetry
Elective-3	Physical Science	RAD 410-10	Radiation Therapy Clinical Internship I
Elective-3	Fine Arts	RAD 420-2	Special Problems in Radiation Therapy
Elective-3	Multicultural	RAD 430-4	Radiation Therapy Clinical Internship II
RAD 360-2	Fundamentals of Radiation Therapy	RAD 440-2	Seminar in Radiation Therapy
RAD 370-3	Technqs & Apps Radiation Therapy	Electives-11	300/400 level
RAD 380-3	Physics of Radiation Therapy		
Total Hours to Bachelor Degree: 132 hours			

*BIO 185 is a prerequisite to BIO 186

Salary Range: \$61,030-\$128,550

Possible Careers: Diagnostic Radiographer
Medical Sonographer
MRI/CT Technologist
Radiation Therapist

Disclaimer: You are encouraged to use this transfer guide when planning your progress towards degree completion. Following a transfer guide does not guarantee admission into the listed program. Information is assumed to be current; however, any curriculum changes reflected in the Undergraduate Catalog override the information on this guide. Contact your Academic Advisor for assistance in interpreting this guide.

Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Student must complete at least 120 semester hrs of credit. Each student must have at least 42 hrs in courses that number 300 or above from a four-year institution.

Residence Requirements. Student must complete the residency requirement by taking a total of 42 semester hrs at SIU Carbondale.

Grade Point Average Requirements. Student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Compact Agreement

SIU Carbondale has recognized Illinois regionally accredited community college transferable baccalaureate-oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIUC will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC) requirements. The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Saluki Transfer Pathways

[Saluki Transfer Pathways](#) is the university's dual admission program that allows baccalaureate-oriented students at eligible community colleges intending to transfer to SIU Carbondale to benefit from early admission and pre-advisement for a baccalaureate program at SIUC. Saluki Transfer Pathways allows students to be conditionally admitted to SIU Carbondale up to two years in advance of their intended transfer term so they have access to transfer credit evaluation and the university's degree audit system. This allows students to address major specific requirements that may not be automatically fulfilled with the completion of an associate degree. Students apply to Saluki Transfer Pathways by completing the Application for Undergraduate Admission and indicating an interest in the program. To participate, students must have at least two semesters remaining at their community college. Direct questions about the Saluki Transfer Pathways program to transfer@siu.edu.

DegreeWorks

DegreeWorks is an easy-to-use, online degree audit tool specifically designed for students. Once admitted to SIU Carbondale, you can use it monitor your progress toward your degree in [Salukinet](#).

Saluki Transfer Estimator Portal (STEP)

The [Saluki Transfer Estimator Portal](#) (STEP) is a web-based tool that integrates institutional course equivalency and degree audit data to provide an unofficial credit estimation and a more seamless transfer process. STEP gives transfer students a clear roadmap for timely degree completion by providing key information about how transfer credits apply to your intended program at SIU.
