SIU will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC). The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Dual Admission Program

The Dual Admission Program (DAP) allows baccalaureate-oriented students at eligible community colleges to benefit from pre-advisement for a chosen major at SIU Carbondale. DAP addresses specific requirements that a student may not automatically fulfill by completing an associate degree. Students apply to DAP by completing the Application for Undergraduate Admission and indicating interest in the program. Students must have at least two semesters remaining at their community college to participate, [attend an eligible community college](#), and [select a participating SIU major](#).
