

TRANSFER GUIDE

AAS Radiologic Technology transferring into BS Radiologic Sciences CI Radiography

Southwestern Illinois College Courses			
AAS Radiologic Technology - 73 hours			
ENG 101-3	Rhetoric & Composition I	RT 150-3	Radiologic Technology III
COMM 151-3	Fundmntls of Public Speaking	RT 151-4	Radiographic Positioning III
PSYC 151-3	General Psychology	RT 152-3	Clinical Experience II
BIOL 105-4	Human Biology	RT 160-3	Clinical Experience III
Elective-3	Human Relations	RT 180-4	X-ray Physics II
HRO 100-1	Medical Terminology	RT 230-1	Pathology for Radiographers
RT 100-2.5	Radiologic Technology I	RT 241-3	Clinical Experience IV
RT 101-3.5	Radiographic Positioning I	RT 242-1	Clinical Modalities I
RT 102-1	RT Math Computations	RT 244-4	Radiobiology
RT 110-3	Radiologic Technology II	RT 296-1	IT for Radiographers
RT 111-4	Radiographic Positioning II	RT 297-4	Radiologic Technology Review
RT 112-3	Clinical Experience I	RT 298-1	Clinical Modalities II
RT 131-4	X-ray Physics I	RT 299-3	Clinical Experience V
Southern Illinois University Carbondale Courses Capstone Option			
BS Radiologic Sciences (RADS)– Cardiac-Interventional (CI) Radiography Specialization – 57 hours			
Elective-3	Mathematics	RAD 427-3	Sectional Anatomy & Pathology
Elective-3	Social Science	RAD 437-3	Physics & Image Acquisition
Elective-3	Physical Science	RAD 447-10	Cardiac-Interventional Clinical I
Elective-3	Fine Arts	RAD 457-2	Special Problems CI Radiography
Elective-3	Multicultural	RAD 467-4	Cardiac-Interventional Clinical II
RAD 407-3	Patient Interaction & Mgmt	RAD 477-2	Seminar in CI Radiography
RAD 417-4	Imaging Procedures	Electives-11	300/400 level
Total Hours to Bachelor Degree: 130 Hours

Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Student must complete at least 120 semester hrs of credit. Each student must have at least 42 hrs in courses that number 300 or above from a four-year institution.

Residence Requirements. Student must complete the residency requirement by taking a total of 42 semester hrs at SIU Carbondale.

Grade Point Average Requirements. Student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Compact Agreement

SIU Carbondale has recognized Illinois regionally accredited community college transferable baccalaureate-oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIUC will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC) requirements. The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Saluki Transfer Pathways

[Saluki Transfer Pathways](#) is the university's dual admission program that allows baccalaureate-oriented students at eligible community colleges intending to transfer to SIU Carbondale to benefit from early admission and pre-advisement for a baccalaureate program at SIUC. Saluki Transfer Pathways allows students to be conditionally admitted to SIU Carbondale up to two years in advance of their intended transfer term so they have access to transfer credit evaluation and the university's degree audit system. This allows students to address major specific requirements that may not be automatically fulfilled with the completion of an associate degree. Students apply to Saluki Transfer Pathways by completing the Application for Undergraduate Admission and indicating an interest in the program. To participate, students must have at least two semesters remaining at their community college. Direct questions about the Saluki Transfer Pathways program to transfer@siu.edu.

DegreeWorks

DegreeWorks is an easy-to-use, online degree audit tool specifically designed for students. Once admitted to SIU Carbondale, you can use it monitor your progress toward your degree in [Salukinet](#).

Saluki Transfer Estimator Portal (STEP)

The [Saluki Transfer Estimator Portal](#) (STEP) is a web-based tool that integrates institutional course equivalency and degree audit data to provide an unofficial credit estimation and a more seamless transfer process. STEP gives transfer students a clear roadmap for timely degree completion by providing key information about how transfer credits apply to your intended program at SIU.
