**Salary Range:** $97,630-$101,340  
**Possible Careers:** Diagnostic Radiographer, Medical Sonographer, MRI/CT Technologist, Radiation Therapist

**Disclaimer:** You are encouraged to use this transfer guide when planning your progress towards degree completion. Following a transfer guide does not guarantee admission into the listed program. Information is attempted to be kept current; however, any curriculum changes reflected in the Undergraduate Catalog override the information on this guide. Contact your Academic Advisor for assistance in interpreting this guide.

**St. Louis Community College Courses:**  
**Transfer Guide:**

- **AAS Radiologic Technology** – 73 hours
  - **St. Louis Community College Courses**
    - COM 101-3 Oral Communication I
    - ENG 101-3 College Composition I
    - MTH 160-3 Precalculus Algebra
    - PSY 200-3 General Psychology
    - Course-3 Social & Beh Sci: Civics Requirement
    - BIO 207,208-8 Anatomy & Physiology I & II
    - XRT 101-4 Radiographic Procedures I
    - XRT 102-3 Radiographic Procedures II
    - XRT 103-3 Radiographic Procedures III
    - XRT 104-3 Principles of Radiographic Exposure I
    - XRT 105-3 Principles of Radiographic Exposure II
    - XRT 107-2 Radiologic Physics I
    - XRT 108-2 Radiologic Physics II
  - **Southern Illinois University Carbondale Courses Capstone Option**
    - Elective-3 Humanities
    - Elective-3 Physical Science
    - Elective-3 Fine Arts
    - Elective-3 Multicultural
    - RAD 345-3 Intro Radiology & Diag Imaging Mgmt
    - RAD 355-3 Teaching Strategies in Radiology
    - RAD 415-3 Research Methods
    - RAD 425A-3 Readings in Radiology Education

**BS Radiologic Sciences (RADS) Management/Education Specialization – 54 hours**

- **Course-3 Social & Beh Sci: Civics Requirement**
- **Course-3 Social & Beh Sci: Civics Requirement**
- **Course-3 Social & Beh Sci: Civics Requirement**
- **Course-3 Social & Beh Sci: Civics Requirement**
- **Course-3 Social & Beh Sci: Civics Requirement**
- **Course-3 Social & Beh Sci: Civics Requirement**

- Scott Collins, Director
- School of Allied Health
- P: 618-453-8860
- E: kscollin@siu.edu
Baccalaureate Degree Requirements
Each candidate for a bachelor’s degree must complete the requirements listed:

- **Hour Requirements.** Student must complete at least 120 semester hrs of credit. Each student must have at least 42 hrs in courses that number 300 or above from a four-year institution.
- **Residence Requirements.** Student must complete the residency requirement by taking a total of 42 semester hrs at SIU Carbondale.
- **Grade Point Average Requirements.** Student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Compact Agreement
SIU Carbondale has recognized Illinois regionally accredited community college transferable baccalaureate-oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIUC will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC) requirements. The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Saluki Transfer Pathways
**Saluki Transfer Pathways** is the university’s dual admission program that allows baccalaureate-oriented students at eligible community colleges intending to transfer to SIU Carbondale to benefit from early admission and pre-advisement for a baccalaureate program at SIUC. Saluki Transfer Pathways allows students to be conditionally admitted to SIU Carbondale up to two years in advance of their intended transfer term so they have access to transfer credit evaluation and the university’s degree audit system. This allows students to address major specific requirements that may not be automatically fulfilled with the completion of an associate degree. Students apply to Saluki Transfer Pathways by completing the Application for Undergraduate Admission and indicating an interest in the program. To participate, students must have at least two semesters remaining at their community college. Direct questions about the Saluki Transfer Pathways program to transfer@siu.edu.

DegreeWorks
DegreeWorks is an easy-to-use, online degree audit tool specifically designed for students. Once admitted to SIU Carbondale, you can use it monitor your progress toward your degree in Salukinet.

Saluki Transfer Estimator Portal (STEP)
The **Saluki Transfer Estimator Portal** (STEP) is a web-based tool that integrates institutional course equivalency and degree audit data to provide an unofficial credit estimation and a more seamless transfer process. STEP gives transfer students a clear roadmap for timely degree completion by providing key information about how transfer credits apply to your intended program at SIU.
