

TRANSFER GUIDE

Associate of Engineering Science to BS Civil Engineering

Waubonsee Community College Courses			
Associate of Engineering Science (A.E.S.) – 63 hours			
COM 100-3	Fund. of Speech Communication	CIS 115-3	Introduction to Programming
ENG 101-3	First-Year Composition I	CHEM 122-4	Chemistry & Qualitative Analysis
ENG 102-3	First-Year Composition II	EGR 220-3	Analytical Mechanics – Statistics
CHEM 121-4	General Chemistry	EGR 230-3	Analytical Mechanics - Dynamics
MTH 131-4	Calculus & Analytical Geom I	MTH 132-4	Calculus & Analytical Geometry II
ECN 201-3	Principles of Microeconomics	MTH 233-4	Calculus & Analytical Geometry III
PHY 221-5	General Physics I	MTH 240-3	Differential Equations
Elective-3	Social Science	PHY 222-5	General Physics II
Elective-3	*Humanities	<i>*One course satisfying degree requirements must have a non-Western (N) or diversity (D) emphasis.</i>	
Elective-3	*Fine Arts		
Southern Illinois University Carbondale Courses			
BS Civil Engineering (CE) – 67 hours			
Elective-3	Multicultural	CE 421-3	Foundation Design
BIOL 202-2	Human Genetics & Human Health	CE 442-3	Structural Steel Design
CE 251-1	Probability & Statistics	CE 444-3	Reinforced Concrete Design
CE 263-3	Basic Surveying	CE 474-3	Water Resources Engineering
CE 301-2	Intro to Sustainability	CE 495A-3	Civil Engineering Design
CE 310/310L-4	Environmental Engineering / Lab	CE 495B-3	Civil Engineering Design
CE 320-320L-4	Soil Mechanics / Lab	ENGR 350A-3	Mechanics of Materials
CE 330-3	Civil Engineering Materials	ENGR 351-3	Numerical Methods
CE 340-3	Structures	ENGR 370A-3	Fluid Mechanics
CE 418-3	Water & Wastewater Treatment	CE Electives-12	See department for approved list
Total Hours to Bachelor Degree: 130 hours

Waubonsee Community College

Sarah Kocunik
 Graduation/Transfer Coordinator
 P: 630-466-7900, X2933
 E: skocunik@waubonsee.edu

Southern Illinois University Carbondale

Dr. Sanjeev Kumar, Chair
 Department of Civil & Environmental Engineering
 P: 618-536-2368
 E: cedept@engr.siu.edu

Salary Range: \$50,000-\$90,000

Possible Careers: Staff Engineer
 Junior/Senior Engineer
 Site Engineer
 Project Manager
 Consulting Engineer
 Project Engineer
 Principle Engineer

Baccalaureate Degree Requirements

Each candidate for a bachelor's degree must complete the requirements listed:

Hour Requirements. Student must complete at least 120 semester hrs of credit. Each student must have at least 42 hrs in courses that number 300 or above from a four-year institution.

Residence Requirements. Student must complete the residency requirement by taking a total of 42 semester hrs at SIU Carbondale.

Grade Point Average Requirements. Student must have a C average for all work taken at SIU Carbondale. Some academic programs may require a higher graduating major GPA.

Compact Agreement

SIU Carbondale has recognized Illinois regionally accredited community college transferable baccalaureate-oriented Associate of Arts or Associate of Science degrees under the Compact Agreement since 1970. SIUC will continue to recognize the baccalaureate oriented associate degree (A.A. or A.S. degree) under the Illinois Articulation Initiative as satisfying SIU University Core Curriculum (UCC) requirements. The Associate of Applied Science (A.A.S.), Associate in Engineering Science (A.E.S.), the Associate in General Studies (A.G.S.), and the Associate in Fine Arts (A.F.A.) are not covered under the Compact Agreement and do not carry the same benefits as the A.A. and A.S. degrees.

Saluki Transfer Pathways

[Saluki Transfer Pathways](#) is the university's dual admission program that allows baccalaureate-oriented students at eligible community colleges intending to transfer to SIU Carbondale to benefit from early admission and pre-advisement for a baccalaureate program at SIUC. Saluki Transfer Pathways allows students to be conditionally admitted to SIU Carbondale up to two years in advance of their intended transfer term so they have access to transfer credit evaluation and the university's degree audit system. This allows students to address major specific requirements that may not be automatically fulfilled with the completion of an associate degree. Students apply to Saluki Transfer Pathways by completing the Application for Undergraduate Admission and indicating an interest in the program. To participate, students must have at least two semesters remaining at their community college. Direct questions about the Saluki Transfer Pathways program to transfer@siu.edu.

DegreeWorks

DegreeWorks is an easy-to-use, online degree audit tool specifically designed for students. Once admitted to SIU Carbondale, you can use it monitor your progress toward your degree in [Salukinet](#).

Saluki Transfer Estimator Portal (STEP)

The [Saluki Transfer Estimator Portal](#) (STEP) is a web-based tool that integrates institutional course equivalency and degree audit data to provide an unofficial credit estimation and a more seamless transfer process. STEP gives transfer students a clear roadmap for timely degree completion by providing key information about how transfer credits apply to your intended program at SIU.
