## SIUC COURSE | John A Logan College COURSE
---|---
BIOL 200A – Introductory Cell Biology, Genetics and Evolution | BIO 101 – Biological Science for Majors I
BIOL 200B – Introductory Organismal Biology and Ecology | BIO 102 – Biological Science II
PLB 200 – General Plant Biology | BIO 110 – General Botany
ZOOL 220 – Animal Diversity | BIO 115 – Invertebrate Zoology
BIO 110 – General Botany | BIO 120 – Vertebrate Zoology
PHSL 201 – Human Physiology + | BIO 205 – Human Anatomy & Physiology I
PHSL 208 - Lab Experience in Human Physiology | BIO 206 – Human Anatomy & Physiology II
MICR 201 – Elementary Microbiology | BIO 226 – General Microbiology
BIO 241 – Introduction to Tropical Ecology
No equivalent - Plant Biology major elective | BIO 275 – Wild Plants
